

P.S. Do you possibly believe that Mr. Austin is to be
placed in the same category with Socinians?
When we were charged with holding Mr. Austin's

views, our disapproval of the Tracts was
then ~~publicly~~ stated before the body.
But ~~condemning~~ ^{in the final} ~~with~~ ^{with} agreement
in denunciation of the tracts, must con-
form to the terms of compromise.

Yours affly
