My dear Sir

Accept my best thanks

for the very valuable presents  
of your works on the Pentateuch  
The Prophets and the Apocalypse  
just received, and especially  
for the very kind letter which  
accompanied your gift. It is a  
source of the greatest pleasure  
to me to have such satisfactory  
evidence of the kind feelings

towards our ancient University  
entertained by so highly  
respected an Alumnus of the  
College as yourself

Believe me very dear Sir

Your most obliged

And I thank

William Kelly Esq
