

2, Crescent, Taunton.

To
Mrs. W. [unclear]
19 March, 1866.

My dear Brother,

I was from home when
your circular letter arrived.
It was read to the Saints
yesterday and Brethren
desire me to say that they
have full sympathy and
fellowship with the proposed
object and will (D. & C.) set
apart Friday the 30th inst
for that purpose, such
being the case none ^{of us} will

be at Exeter on that day
personally, but that we
shall be together in the
presence of the Lord
in the same spirit
and find it good to be
there, and that blessed
results will follow
from the meetings
that may be held on
that day in England
and on the Continent.

On behalf of the Brethren,
I give my remains,
Dear Brethren,
Yours affectionately in Christ,
John Howe.
