

Letter to Mr Samuel Wroxford
Exeter

Aug 28. 1865

My dear brother

I have just received the
enclosed. Will you kindly tell me
what Newbery it is who is referred
to I assume it not to be our brother

Mr Tho^s Newbery formerly of Taunton

There was a brother of that name
living at Exmouth, ^{or a 20 years ago} who used to

travel about in some way of business

He was a friend of Stamps's. What

I wish to know is whether you in
the neighbourhood know this brother
and are assured that his cause has

been Godly. I don't know much
personally of our brother Eastman &
hence as between ourselves drop you
this line. Please to return the
enclosed letter

with Christian love to yourself
& wife believe me

Affectionately
Christ
