

To Mr Samuel Wreford. Exeter.

Abby St

Exeter

Dear Brother

I have read the circular
to those in connexion, but
I have not heard of any one
who purports being at Exeter
on the 30th. The day is
very inconvenient as on a
Good Friday only the
Sunday trains run, so as
to prevent the going and
returning the same day.

I much regret the day
being fixed on. - as also
in most places there are
meetings in the different
gatherings on that day,
so that labourers & others
are called away.

With the object of the
meeting I have much
sympathy - Combined as
it no doubt will be
with a sense of the State

of things within, as well
as without —

The Lord willing I
hope to be with you
I probably on the
Thursday evening previous.

Yours sincerely
Thomas Newberry
