

Kindly pass to a Christian Friend when read.

OUR MARCH CIRCULAR, 1926.

Dr. HEYMAN WREFORD,
TESTAMENT AND TRACT DEPÔT,
POST OFFICE CHAMBERS,
EXETER.

My dear friends,

We had our first Public Prayer Meeting in our New Depôt on Monday evening, March 1st. Many of our friends came and the power of God was felt, and blessing followed.

Our workers meet for prayer every day, after the parcels, etc., go out in the evening.

The Testaments and Booklets sent are followed by prayer day by day. We had our first convert in the New Depôt the end of February—we shall always be glad to welcome there those who are anxious about their souls.

Christ is in heaven. The Holy Ghost is on earth. The piercé hand is pointing to a world of sinners—the voice of Jesus says continually: “Go ye into all the world and preach the Gospel to every creature.” This we seek to do.

Christ is coming—To-day, perhaps! Our Depôt will have finished its work when He comes, and the workers will be in heaven. Our empty shelves will never need filling again. The packing of our parcels will be over—none to work and none to pray. Oh! how our hearts ache over the unsaved now. What opportunities we have to reach them and tell them of the Saviour—and these opportunities will soon be gone.
