My dear Brother in Christ-

In reply to your letter of
this day. I am not yet in
in fellowship with our Brethren
whom we speak of as Park St.
Brethren". I hope however to
be rec^d on Lord's-day Sept 15.
"The point that decided my change"
was abuse (instead of argument)
of the "Park St Assembly" in
general & unchristian epithets
employ'd against leading
Brethren in particular -
Such as "liar" "The Park St-
Company" &c &c. The latter

from one who ought both to teach
& know better. Further -
I read & reread C. S. on from
Egypt to Shiloh which confirms
me. Also "an Allegory" by
C. S. I have rec^d many letters
from old friends - seeking to draw
me into controversy. - but not
for me &c. My arm is
still so bad that I do no
more writing than I can
help & had it not been so
I have been so fully occupied
that I could not keep my
promise as to the C. S. incident.
I hope to be in York's soon
& will either dictate to you
or write them myself in

Your Album. As to the
photo you shall have one
as soon as the "times get
better" & I can afford to
have some taken.

I know of no change in
my feelings towards any
old friend. please therefore
give my sincere love to
all such in Rochester.

Not forgetting your good
kind & affectionate wife
& yourself. I had to
hear of Emily. I often
think of her & all of you
there you all my
wishes. Pray excuse

This scrawl. I have only
answered one letter of
enquiry besides this & this
because of the love I bear
the writer.

In haste & pain I
am yours any body
in the Lord Jesus
